

2026/2027 Sports Season:

Registration opens

As of **September 1st, 2026**,
registration for our courses is officially open.

To ensure that your application is processed successfully,
please follow these instructions carefully.

Registration Method

REGISTRATION ONLINE ONLY

The process takes place entirely on our website.
For details, you can consult the step-by-step guide on the page
["How to join the club"](#)

1. Log in to your account;
2. Request membership for **POLISPORTIVA BUDOKAI**;
3. Manage the admission form based on your situation:
 - ✓ **If you are already a member** and have already submitted the signed form for the previous season: wait for our confirmation email before paying the €30.00 membership fee.
 - ✓ **If you are registering for the first time (or have not yet submitted the form)**: download the "2026/2027 Admission Application," fill it out, sign it, and upload it to the website. Wait for the confirmation email before proceeding with the payment of the €30.00 fee.

Important note for course access: Once your membership to the Polisportiva is complete, you may enroll in individual courses only after your **valid sports medical certificate** has been uploaded and verified on the website.

Payments

For tax and transparency reasons, payments for membership fees and courses must be made **exclusively via bank transfer** to the account of the chosen section.

To manage and verify payments, it is essential to always include the following **mandatory reference** (causale):

- Member's **First and Last Name**
- **Type of fee:** **QA** (Membership Fee) or **QF** (Course Fee)
- **Reference period:** monthly, semi-annual, or annual

Please be reminded that cash payments are not permitted under the regulations and that failure to pay the membership fee results in the loss of membership status. Furthermore, accepting cash payments constitutes a breach of contract for the recipient, leading to the termination of their relationship with the club.

Medical Certificates for Children

- **Under 6 years old:** no medical certificate is required.
Upon turning 6: the certificate becomes mandatory and must be uploaded to the personal account.
